FAQ'S

How do I order?

When it comes to ordering we've made everything simple. All you have to do is download the PDF Menu, fill in the Booking Request form, and return a scanned copy to us. We'll check our diary and, get back to you as soon as possible.

How far in advance do I need to order?

To make our Backyard Catering as delicious as possible our team will need at least 10-days' notice for any booking. As most things go, the more notice the better. So as soon as you have a good idea of numbers and have chosen your menu, be sure to get in touch.

How much is delivery?

Delivery charges are detailed in our Terms and Conditions. Hawera boundaries include Normanby township and Ohawe Beach. South Taranaki from Ohawe Beach to Opunake, Kaponga, Eltham, Manutahi, Kakaramea and Patea. Central Taranaki from Eltham to Stratford, Midhirst & Inglewood. North Taranaki includes New Plymouth, Oakura, Okato and the Coast and to Urenui. Event locations outside these areas will incur additional delivery fees and will be advised once we know travelling times and distances.

When will you arrive?

When you place your order, we will confirm a time of delivery with you. If we're just dropping off, we'll arrive with the food hot and ready to serve straight away. If the Backyard Catering team are cooking on site, or if it's a wedding, we'll arrive approximately two hours before service to get everything ready for serving at the arranged time.

How is the food presented?

For the 'Drop Off & Enjoy' and 'Classic' menus it's all about 'keeping it simple'. That means simple presentation and an easy clean up. We'll bring high quality, eco-friendly, wooden cutlery and plates made from bamboo fibre, which you can dispose of at the end of your function. We will transfer any leftovers into disposable containers before we leave. We'll supply the carving station and buffet tables which we set up for your event and take away when we leave so you don't have to worry. If your function is a special occasion or wedding, you can collect the cutlery and crockery the day before to set your tables in advance. After your meal the Backyard Catering team will clear and take away what we've supplied making tidying up super easy!

Can I upgrade from the disposable option?

You sure can. There will be an additional cost of \$5.00 per person to upgrade to restaurant quality crockery and cutlery if you choose the 'Classic' or 'Drop Off & Enjoy' menus. If you choose to provide your own crockery & cutlery there will be an additional charge for the Backyard Catering Crew to wash and dry.

Can I make changes or additions to the menus?

You certainly can, and we like to keep things flexible to ensure your menu meets the needs of your function. Some changes may incur additional charges, but we'll let you know.

Can you cater for special diets?

Each menu provides gluten-free options. With our breads and buns, we include GF/DF options too. If you would like us to cater an individual dish for your guests in addition to your chosen menu, there will be a surcharge of \$10 per person.

Do you have Children's Pricing?

Children (aged 5 -12 years) are half price for the Classic and Special Occasion main course menus.

Can you cater for our Vendors at our wedding?

The price for Vendors is \$25 per person. Please advise us how many vendors and who they are, and we will provide a plated meal for them once your guests have all been through the Buffet.

Can we add a Backyard Chef or Service to the Drop Off & Enjoy menu?

Yes, of course. We will quote this once we know how many guests you have, and what's going to be involved.

Can you provide Bar Staff for our wedding or event?

Yes, we have professional bar staff that can manage and serve the Beverages you provide for your wedding or event. Please ask us for further details if this may be of interest and advise us as soon as possible if you wish to book the Backyard Bar Service so we can ensure we have the Backyard Crew available.

Do you cook onsite or offsite?

The location and the occasion will have some influence on whether we can prepare/cook onsite, just ask us and we can provide you with some options. If you choose the Gourmet BBQ from the Classic or Special Occasion menus, we'll be mostly cooking onsite unless your function is close to us.

To sum it up
